- MTD General Ledger Detail Report – October, November, December 2013
- Fund Summary Report – October, November, December 2013
- Financial Profile FY 2013/2014 – October, November, December 2013
- Payroll & Financial Center reports were provided for review. With 50% of the year elapsed, 55% of the expenses have been expended and 78% of the revenue has come in as of December 31st. Revenue and expenditures are higher than the previous year. Higher expenditures are due to paying mileage to members for Board meetings.
- The Administrative Service Contract for FY 2014-15 with the Nebraska Board of Engineers and Architects (NBEA) will be ready for review next month and will be sent to the members for their review and comment. The final contract will be submitted to the Board at the April meeting for their approval.

E Committee Reports
Officers Report
ASBOG
Martin reported on the ASBOG Annual Meeting in October - ASBOG is encouraging board staff to get more involved in the Annual Meeting. They are planning to include several sessions geared more toward board staff at the future meetings.
Louisiana just enacted statute to regulate geologists. Their grandfather period ended on December 31st.
Texas is looking to get other states to enter into reciprocity agreements.

Office/Staff
AA Lais informed the Board that the NBEA has hired a new Executive Director, Steve Masters. Masters formerly worked with the City of Lincoln's Public Works Department.

North-Central Geological Society of America 2014 Annual Meeting – April 24-25, 2014, Lincoln, NE
AA Lais provided the booth pricing for the meeting. The Board approved paying for a booth at the $175 Not-for-Profit price. Deadline for submitting the exhibit space contract is March 15, 2014. This includes one registration to the Meeting. Additional booth workers may be included at $25 each. The Board approved two additional workers, however, there was a question as whether this includes access to the Meeting sessions. AA Lais will follow up with Dana Divine, the Exhibits Chair, to confirm. If this does not include registration, the members will still need to pay their own registration.
The members would also like to purchase a table cover to use at the booth and on future outreach activities. AA Lais will research pricing and advise the members.
Discussion was held on the type of literature and information the Board would like to have available. Suggestions were: business cards with the Board’s contact information, mission statement/steps toward licensure; brochure on the role of geologists in the state. AA Lais will research what is available from past newsletters and send out for review.
