G Financial Matters

AD Weaver reported that with 75% of the fiscal year elapsed, 72% of projected expenses have been spent and 99% of the projected revenue has been received. The Cash Fund is sitting at $79,309 as of March 31st.

The hearing on the next Biennium Budget was held on February 24th. The Governor had recommended not approving the additional travel expenses requested. However, the Appropriations Committee has recommended the additional expenditure. The bill will go before the Legislature sometime in May with the Committee’s recommendation. The Governor still has line item veto powers, but it is not anticipated he will exercise them on the Board’s request. As soon as the bill has been signed, AD Weaver will let the Board know the outcome.

Other Financial Matters

Administrative Service Contract with the Nebraska Board of Engineers & Architects (NBEA)

Time and cost worksheets were provided to the board for review. The proposed new weighted hourly rate for FY 15/16 is $18.08. The proposed contract amount for FY 15/16 is $13,861 or $3,465.25 per quarter. This is a decrease of $184.00 from the previous contract. The contract includes the services to be provided and was approved by the NBEA at its March 20, 2015, meeting.

Svingen questioned the “Staff Training at Annual Meeting” line item on the contract and asked if this had always been included. He raised concern that the Board has been paying for a service not utilized to date. AD Weaver explained staff had discussed taking this item out due to the possible change of the ASBOG Annual meeting being changed from a face to face to a video conference format. As there has been no final word from ASBOG and the Board had expressed interest in AA Lais starting to attend the meetings next fiscal year, the item was left in for this year. If ASBOG decides to change to a video conference format for future meetings, the line will be deleted in the next contract.

ASBOG Exam Proctor Contract with Stanley Fehlhafer

A copy of the contract was provided for review. The contract provides for the service of proctoring the ASBOG license examination administrations for FY 15/16. Included in the contract are the hourly wage ($17.00/hr), terms of payment, frequency of the examinations, and the litigation process.
